Science with and for Society
NCP Info Day

Brussels, 25 November 2019

Cluster events

**Niamh DELANEY,
REA.B5
Spreading Excellence, Widening Participation,
Science with and for Society**

Project Cluster events

- Bringing together projects funded under the same theme:

  - ✓ Networking
  - ✓ Synergies / opportunities for cooperation
  - ✓ Common challenges / exchange of best practices
  - ✓ Overview of activities / mapping the field
  - ✓ Emerging results / Gaps for the future

- REA-led events, in collaboration with RTD policy-officers

- Co-creation / co-design process with the projects

- Added value for the projects, RTD and REA

- Policy feedback mechanism
