

## Horizon Europe Partner Search Form

I offer my expertise to participate

I am planning to coordinate a project and I am looking for Project Partners

Topics
Topics I am interest in: HORIZON-CL2-2026-01-TRANSFO-07: Fostering competences for the green transition
Project information
Field of expertise related to the topic:  Vladislav Kozakevich Leisure and Sports Centre of Salcininkai District promotes social inclusion, wellbeing and active participation through sports, cultural and educational activities. Located in a rural area surrounded by natural landscapes, the Centre encourages active lifestyles and environmentally responsible behaviour through outdoor activities and community initiatives. We work directly with residents of different ages, fostering community engagement, healthy living and skills that support sustainable and green lifestyles. The Centre serves as a local hub for community interaction, recreation and learning.
Potential contribution to the project:  The Centre supports community engagement and participatory activities by involving local residents and community organisations in project initiatives. Located in a rural natural environment, we can facilitate outdoor and nature-based activities that promote sustainable lifestyles and green skills. The Centre provides facilities for workshops, events and pilot activities, as well as on-site accommodation for participants. We can host international meetings, training sessions and community-based pilot actions while contributing to social impact evaluation and dissemination.
