##### Description of the Research Team

Miriam Erez is an active researcher of organizational psychology and management at the Faculty of Data and Decision Sciences, Technion. Erez is the Vice Dean of the MBA program, Founder, and Chair of the Knowledge Center for Innovation at the Technion. Erez's research areas include Innovation and Entrepreneurship, Cross-Cultural Management, Global Organizational Behavior, and Work Motivation. She has authored two books, co-edited five books, including the 2024 Oxford Handbook of Cross-Cultural Organizational Behavior, and published over 120 journal articles and book chapters. She has also advised more than 110 graduate students on Research Theses and Dissertations. Erez appears in the top 2% of researchers in business and management (2020). Erez received the 2023 Distinguished Scientific Contributions Award from the Society for Industrial and Organizational Psychology, the 2005 Israel Prize for Management Sciences and Business Administration, the Distinguished Scientific Contributions Award from the Israel OB conference, 2026, the Distinguished Scientific Contribution Award from the Israel Association for Quality and Innovation, and the Distinguished Scientific Contribution Award from the International Association of Applied Psychology (2002). She is a Fellow of SIOP, an APA Fellow, an Academy of Management Fellow, and a Fellow of the International Association of Applied Psychology.
